

## Our 2019 Summer Library Program

is geared toward children ages 3 – 10 years old.

**Our goal** is to exercise the children's minds, as well as encourage them to have fun while they read and learn. **Our program** will offer rewards and incentives for personal reading accomplishments!

## Here's who we'll meet and what we'll be doing this summer:

- Puppet Theatre
  - Outer Space
    - The Moon
- A Billion Trillion Stars
  - Bee Friendly
- Dance and Movement

## The 2019 Summer Library Program

**Public Libraries**, through their summer reading programs, put books into the hands of children. This is a great antidote for the 'summer slide' in children's reading achievement. Access to books and library programs over the summer results in more reading which, in turn, results in overall **improved reading skills**.
