

Larsen Family Public Library

THE LIBRARY IS CLOSED per Governor Ever's order until further notice. All materials that are currently checked out will not become overdue at any point – Northern Waters Library Service has extended the due dates to cover the time the libraries in the system must be closed due to the COVID-19 virus pandemic.

WHILE THE LIBRARY IS CLOSED Please visit our Facebook page at <https://www.facebook.com/LarsenFamilyPublicLibrary/> and our library webpage at <https://websterlib.org> for updates. There are lots of links and websites for children who have to be out of school there. If you have any questions, feel free to email me at pmeyer@webster.wislib.org.

OVERDRIVE e-books and Audio Books - Our library system has expanded the self-registration link on our Merlin site to include access to Overdrive. It is easy to get a digital card so that you can temporarily access Overdrive without a physical card from a library. Once we are open again, you can come in and get a permanent card. Go to our Merlin library card site (<https://merlin.nwls.lib.wi.us/>) scroll down to the bottom of the page and click on "self-registration". Fill in the blanks and click SUBMIT. The next screen will give you your temporary library card number to sign into Wisconsin Public Library Consortium (online books and audio books). Then go back to the Merlin homepage and click on "Digital Books" which will take you right to the sign in page for WPLC. Choose "Northern Waters Library Service" as your library and then enter your new barcode and you are set to go!

NATIONAL LIBRARY WEEK We are planning for a full-filled week of library, patron and librarian appreciation during April 19-25. Hopefully we will be able to be open by then. Tentatively, we have Peter Kwong scheduled for Thursday, April 23 at 6 p.m. and Annette Starkite on Tuesday, April 21 to tell us about locally raising bees and honey.

FRIENDS OF THE LIBRARY Upcoming Events:

- **Second Saturday Used Book Sale: (if the library is able to open by then) April 10 from 10 a.m. until 3 p.m.** New books are always being donated so there is always something new and different for you to peruse.
- **FUND-RAISING COOKBOOKS FOR SALE** "Nature's Gifts: Wild Rice and Berries from the Folle Avoine" are \$6 at the library circulation desk.
- **We love books and we are always looking for more!** Please donate gently used books.

FEDERAL AND STATE TAX FORMS are available at the library in the foyer. Our AARP appointments are all filled up.

CENSUS 2020 Our library is a good place to go to enter your census data if you don't have access to the Internet. We have eight patron computers available for your use. Our website (<https://websterlib.org>) has a link to the census portal and to another site that will walk you through the steps to complete the census online. EASY CENSUS HELP FOR SENIORS (at www.EasyCensusHelp.org) is an interactive tutorial that teaches the specific skills needed for filling out the 2020 Census online. When the learner completes the tutorial, it will lead them right into the actual Census. The tutorial may be used in advance but the actual census CANNOT be filled out until the invitation is received.

BOOKCLUB Please join us on Tuesday, April 28 at 10 a.m. in a discussion of Russell Banks' "Continental Drift" – the March title – and ""Varina" by Charles Frazier (the April title.) Even if you haven't read the book, you are welcome to join in the discussion. Copies of the book are available at the circulation desk.
