RISING PANDEMIC NUMBERS Due to the upsurge in COVID-19 cases, many libraries in our library system have gone back to curbside only service. We are still open from 10 a.m. to 4 p.m. Monday through Friday, but of course, have no idea if that will change in the near future. If we do have to revert to curbside pickup only, you will still be able to get the materials you want and we will still be receiving Interlibrary Loan delivery three times a week. If we have to go back to curbside pickup, we will put the information on our website (<https://websterlib.org>) and on our Facebook page (<https://www.facebook.com/LarsenFamilyPublicLibrary>). But we are open for now!

WI-FI Our Wi-Fi is available in the parking lot from 7 a.m. until 9 p.m. every day, seven days a week. So, even if the library is not open, you may still access our Internet connection. There is no password – just connect to Webster Library Wi-Fi.

PRINCH We are pleased to announce that we have installed Princh, a wireless printing solution. From now on you can use your own mobile device to print your documents! All you have to do is download the free Princh app from [Google play](#) or the [App Store](#), and you are ready to print. You can also print from your laptop by visiting print.princh.com. Princh also allows you to pay via your credit card or different mobile payment options. Read more about how to print with Princh at princh.com. Guide posters are also set-up in the library, and our staff will always be ready to help you.

TECHNOLOGY SERVICES The library offers patron access computers with Internet access, printing from the computers, fax and copy services, and scanning as well, anytime during our open hours.
