COMING SOON - NEW LOOK FOR OUR PATRON ACCESS CATALOG Our Merlin Catalog will be replaced by our new catalog created by PIKA and named Northern Waters Library Network by our consortium. It has a greater ability to satisfy readers demands for information, not just the location of the item. Starting on April 20, you will be able to access our new catalog at <https://webster.marmot.org> There will be more information forthcoming on how to work with the new catalog. Stay tuned!

SUMMER READING PROGRAMMING FOR CHILDREN COMING IN JUNE We will be hosting a five-week summer reading program, Tales and Tails, starting June 7 through July 9. We will be emailing registration information to the families soon. The programming will not be in person this year, due to the COVID-19 pandemic, but we will have weekly grab and go bags for each child registered. We also are trying something new this year: BEANSTACK. It is an app that will log your summer reading. We will have more information on this too, after our prototype is approved. Looking forward to a virtual summer with you!

FAMILY RESOURCE CENTER Our library is a new drop off point for the Family Resource Center activity kits. Beginning in April, you also get a bag of food with your kit. Check their Facebook page for weekly details. Supplies are limited.

TAX FORMS The Wisconsin State Tax Forms and Federal Tax Forms are available in the foyer on the table this year. If you need additional forms, please come to the circulation desk and we will help you print them out.

MYFREETAXES Program – United Way is providing this free program for anyone who is preparing their taxes by themselves. There is no income or age limit. And no add-ons or extra fees. Here is the link:
